

B-Line

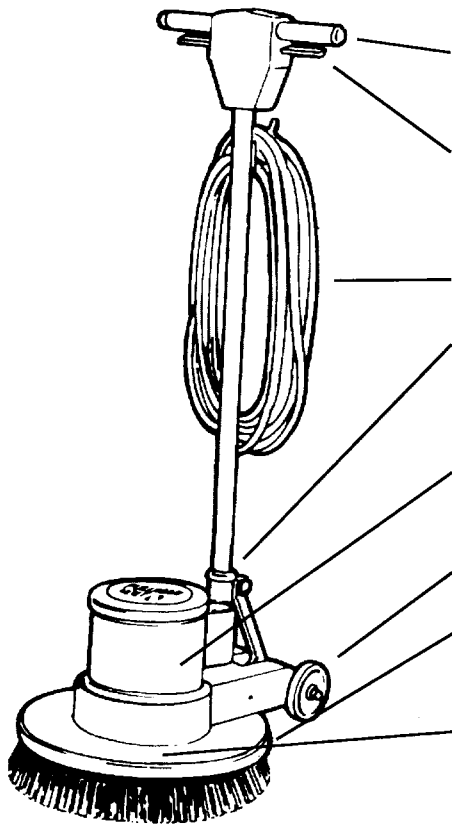

Pullman/Holt B-Line floor machines are designed for professional floor care maintenance including stripping, sanding, and grinding on hard surfaces, along with shampooing and bonnet cleaning of carpeted floors. They are equipped with cool-running, large frame motors ranging from .33 to 1.5 HP with all steel planetary gear boxes. With its powder coated aluminum chassis, the B-Line offers professional efficiency at minimum cost.

• Available in 13", 16", 18", 20", 22" sizes.

• UL listed

B-Line Floor Machine

B-Line
