

PULLMAN-HOLT

PROFESSIONAL FLOOR MACHINES

Built for the professional, Pullman-Holt floor machines include heavy weighted aluminum chassis, all steel planetary gearboxes and large frame, high-torque motors. The powder coated chassis assures it will last as long as the machine's dependable components. Includes Drive Brush.

17" Floor Machines

model	PHC17F
brush speed	175 rpm
motor	1.5HP
power cord	50' 14-3 ST
wheels	two 5"
shipping weight	110 lbs.
product code	B160714

20" Floor Machines

model	PHC20F
brush speed	175 rpm
motor	1.5HP
power cord	50' 14-3 ST
wheels	two 5"
shipping weight	113 lbs.
product code	B160715

PROFESSIONAL BURNISHER

Pullman-Holt's burnishers are superbly balanced, smooth running, ultra high-speed floor machines that provide superior burnishing results. A powerful 1.5 horsepower motor, coupled with a poly v-belt drive system, provides an exceptional gloss through constant RPM's and pad pressure, with less torque and operator fatigue. Pad driver included.

1500 RPM Burnisher

model	PHC1500DC
brush speed	1500 rpm
motor	1.5 HP DC rectified
drive system	cast iron pulley w/6-groove poly v-belt
power cord	50' 14-3 ST
wheels	two 6" main two 4" stairway
shipping weight	107 lbs.
product code	B160713

PULLMAN-HOLT FLOOR MACHINES

- Dual Deadman Switch with Safety Mechanism
Machine shuts off when operator releases trigger.
Thumb operated safety latch prevents accidental start-up.
- 50 Foot Power Cord
Covers large areas without changing outlets
- Dual Cord Hooks
For convenient storage of power cord
- Adjustable Tubular Stainless Steel Handle with Start Latch
Allows operator to adjust handle to any height by hand or foot
- Heavy Duty Motor Canopy
Protects motor from impact or liquid spills and is corrosion resistant
- Non-Marring Solid Wheels
For ease of transport and storage
- Cool Running 1.5 HP Continuous Duty, Capacitor Start Motor
Professional grade motor provides long life (3 year warranty)
- All Steel Planetary Gear Box
Smooth and quiet running (3 year warranty)
- Powder Coated Cast Aluminum Chassis with Non-Marring Bumpers
Chip and corrosion resistant; protects machine, furniture and baseboards

PULLMAN-HOLT BURNISHER

- Dual Triggers
Can be operated with either hand
- Safety Lock Mechanism
Prevents accidental start-ups
- Heavy-Duty Slow Release 15 AMP Circuit Breaker
Protects against overload
- 50 Foot Power Cord
Covers large areas without changing outlets
- Folding Handle with Star Latch
No bending required, allows for easy transport and storage
- 1.5 HP DC Rectified Motor
Provides efficient burnishing results
- Semi-Pneumatic 6" Non-Marring Rubber Wheels with Permanently Lubricated Bearings
Provides greater maneuverability
- Powder Coated Cast Aluminum Chassis with Non-Marring Bumpers
Chip and corrosion resistant; protects machine, furniture and baseboards
- Vacuum Assisted Start-Up
Controls Excessive starting torque and high amp draw
- Free Floating Burnisher Head
Adapts to uneven floor surfaces, assumes maximum pad contact with floor
